

# Purchasing Contract

Date: 22/02/2019

Party A: Shaftesbury Chinatown Ltd (UK 2213147)

Party B: Kompline Electronics Ltd (China 91440113MA59BNNA53)

0. Party A orders 1 (one) cooking robot for Tianjin-style jianbing from Party B. The total payment due is £2500.00. This contract should be printed on both sides of a single piece of A4 paper. Handwritten contents except signatures are invalid. All civil cases related to this contract should be resolved in the UK legal system. Concepts out of the English languages are explained in Chinese in Appendix A.

## 1. Specific requirements

0. The robot should fully automate the production of a jianbing except packaging in 240 seconds.
1. The total mass of all parts of the robot (including batteries if any) should be less than 50kg or 110.23lbs.
2. The rate for successful production should be at least 50% based on 100 trials conducted by party A.
3. The voltage of the machine should be at most AC250V.
4. The base should form a circle whose radius should be at least 175.00mm.
5. Mung bean powder should account for at least 15% of the total weight of the powder mix regarding weight.
6. The robot should be able to properly place one guozi OR one bocui on a single base.
  - a. One guozi should include two sticks. The length of each stick should be at least 120mm; the radius should be at least 15mm.
  - b. The dimensionality of the bocui needs to be at least 80mm by 60mm.
7. The robot should be able to spread three types of sauce on a single base.
8. The robot should be able to crack and spread one egg on a single base.
9. The robot should be able to fold up the jianbing upon finish.
10. Party B needs to dispatch the robot before 23.59 on 31/05/2019 (GMT).
11. Party B needs to assemble the robot and provide training services to 2 (two) members from Party A within 7 days of delivery.
12. Party B keeps the intellectual property of all parts of the robot. Party A should not reverse-engineer the robot.
13. Party B should provide recipes and raw material lists for continuous production.

## 2. Payments

Party A makes two payments to Party B.

- £1250.00 by 28/02/2019 unconditionally.
- £1250.00 within 21 days of delivery if the robot meets all requirements in Clause 1.

## Appendix A. Bilingual vocabulary list

jianbing	煎饼
guozi	饺子, 油条
bocui	薄脆, 饅算儿
